```javascript
// Eg:1
/*
var btnSubmit=document.querySelector("#btnSubmit");
var btnClear=document.querySelector("#btnClear");

btnSubmit.addEventListener("click",()=>{
    var Uname=document.querySelector("#uname").value;
    var Address=document.querySelector("#address").value;

    var result1=document.querySelector("#result1");
    var result2=document.querySelector("#result2");

    result1.innerHTML="Username :"+Uname;
    result2.innerHTML="Address :"+Address;
});
*/

// Eg:2
var btnSubmit1=document.querySelector("#btnSubmit");
var btnClear1=document.querySelector("#btnClear");

btnSubmit1.addEventListener("click",()=>{
    var Uname=document.querySelector("#uname").value;
    var Address=document.querySelector("#address").value;

    var body=document.body;
    var Runame=document.createElement("h3");
    var Raddress=document.createElement("h3");

    Runame.innerHTML="Username :"+Uname;
    Raddress.innerHTML="Address :"+Address;
```

```javascript
    body.append(Runame, Raddress);
});

btnClear1.addEventListener("click",()=>{
    document.querySelector("#uname").value="";
    document.querySelector("#address").value="";
})
```
